BE A FLU DETECTIVE
Find the Clues for Staying Healthy During Flu Season!

Being sick is no fun!
You miss out on playing with friends, going to the playground and other fun stuff because you feel icky. There are ways to stay healthy during flu season, beginning with getting the flu vaccine.

We need your help!
Are you ready to be a flu detective like Detective Dan?

Can you find all the ways to help keep you healthy during flu season? Circle the answers below.

- Getting a flu vaccine every year
- Covering your mouth with a tissue when you cough
- Eating healthy food
- Staying up late
- Getting enough sleep
- Riding your bike
- Sharing your food and drink with friends
- Playing on the playground
- Covering your nose with a tissue when you sneeze
- Going over to your friend’s house, even though you feel sick
- Washing your hands with warm, soapy water or using hand sanitizer
- Using someone else’s sleeve to cover your nose and mouth

Great Job, Flu Detective!
Help your friends and family avoid getting sick by teaching them these important healthy habits!
